Your guide to the world of Sonic The Comic (STC) & Sega.
Presented by your host, Megadroid.

greetings

HEY BOOMERS!

Spring has almost sprung (see below), and there's a blooming good time to be had in this issue of your thriving *STC*.

Spring-cleaning duties await Sonic when he visits a building full of cobwebs and ghosts in the spooky story **The House On The Hill.**

Tails discovers life in the Scorched Zone when he rescues a pensive penguin in the torrid tale **Desert Fox.**

Despite the season, there's a chill in the air at Castle Frank N. Stein. The prof's parents are coming to visit and the mere thought has sent a shiver down his spine. Find out how he copes in Decap Attack's **Mother** story.

Discover, too, the terrors of the deep in part one of the Double Sonic story **Taking The Plunge.** You'll be amazed at all the fishy goings on!

Megadroid

TIME FLIES
On Sunday, 29 March

Spring officially begins on the above date, so seize the chance to alert those forgetful-adult-humes with a reminder to put those clocks forward an hour.

You can let them think it's for their benefit, Boomers, but we know different! After all, it means you get your copy of *STC* 127 in accelerated time - a full sixty minutes early! Now that's worth *watching* out for!

ROBOTNIK RETURNS

Dear Megadroid,

We hope Doctor Robotnik will return for another series, because the battles starring old walrus chops are much more interesting.

Adrian Durham & Gavin Wilce.
Lydbrook, Glos.
MD owners.
Enamel Badge Prize Winners.

You'll both be fighting over who reads STC first next issue - a brand new three parter begins called 'Robotnik Reigns Supreme'.

GHOST OF A CHANCE

Dear Megadroid,

I've been wondering what would happen if Super Sonic died! Would it mean that his ghost would float into Sonic's body, making Sonic become so bad that he would then join forces with Doctor Robotnik?

Jamie Parkin,
Southport, Merseyside.
Enamel Badge Prize Winner.

Eh? With an imagination like that - ever thought of becoming a script writer, Jamie?

LONG LIFE

Dear Megadroid,

I would like to know for how much longer *STC* stories will be written by the script humes?

Rebecca McKenzie,
Bow, London.
Enamel Badge Prize Winner.

Hopefully, they won't stop until they're old and grey, Rebecca. Mmm, on second thoughts... we'd better extend that time span!

Carl Panteny,
Broadstone,
Dorset.
Enamel Badge Prize Winner.
